Silent Auction

The Silent Auction opens for bidding at the beginning of the evening. Write your name on the bid sheets to place a bid. Please note the closing times on the table signage. There will be staggered closings of the Silent Auction tables. Announcements will be made prior to the close of each auction table.

All items in the Silent Auction are accompanied by a bid sheet. The bid sheet specifies the minimum opening bid for that specific item, the minimum bidding increment required to raise a bid, and an estimated value of the item. Each item's bid sheet is located on the table in front of that particular item.

To place your bid, CLEARLY print your name and the bid amount on the bid sheet. Each new bidder must increase the amount of the previous bid by at least the minimum increment specified. Each new bid must be written on the next available blank line. Arrows will not be honored. Once a table of the Silent Auction closes, no new or additional bids will be accepted.

Live Auction

The Live Auction will begin at 8:30pm and will last for approximately 40 minutes. Paddles are required for Live Auction items and will be presented for bidding in the order listed in the catalog. Holding your paddle with the bid number facing the auctioneer is the accepted method of bidding in the Live Auction.

All Sales Are Final

All donated items are subject to the terms and conditions stipulated by the donors. All items have been donated to the Jeffers Hill PTA and are sold by the Jeffers Hill PTA, not the donor. All items must be paid for and in your possession (if applicable) by the end of the event. Reservations, rentals, and personal services must be mutually arranged by the winner with the donor, and are subject to availability and any other restrictions indicated. When the winner is identified at the end of the bidding on a live or silent auction item, that item is closed and becomes the property of the winner who thereupon will assume full risk and responsibility for the item and is responsible for paying the full bid amount.

Check Out and Item Pick-Up

Check out will open approximately 5 minutes after the Live Auction ends. If you won an item, or items, please collect your invoice(s) and proceed to checkout. You must check out to collect your item(s). The Auction Committee requires that all items be claimed before the close of the evening.

Payment is expected in full on Friday, May 8, 2015. Credit cards, checks, and cash will be accepted.

By participating in the Jeffers Hill Elementary School Auction, each bidder agrees that Jeffers Hill Elementary School and its volunteers have no liability arising from or related to any bid and all items purchased at the auction are sold without representation and warranty.

Have fun at the auction, enjoy your winnings, and thank you for supporting Jeffers Hill Elementary PTA's Annual Auction Event!
